

## Cross Connections of Tippecanoe County Pastor Referral Agreement

The Cross Connections of Tippecanoe County Pastor Referral Agreement provides an efficient mechanism for the referral to and the payment for services for members of Lutheran churches.

Participating congregations simply provide vouchers (purchase orders) to their members indicating the name of the parishioner, and the number of counseling sessions and the percent (or portion) of the cost of those sessions (\$150) for which the church is willing to pay.

Parishioners then provide the vouchers to Cross Connections of Tippecanoe County before the first session. Cross Connections of Tippecanoe County will then contact the participating church to validate the voucher.

After validation and at the end of each counseling session, Cross Connections of Tippecanoe will invoice the church for its portion of the payment due for each session.

Note that Cross Connections of Tippecanoe County is a 501(c)(3) nonprofit supported by client fees, donations, churches like yours and grants. So, donations made by members of your church and their businesses are tax deductible.

For more information about the Pastor Referral Agreement please reach out.

In Christ,

L. Jean Hines LCSW
